

DEVITA ENERGY 11 – HARMONISATION & REJUVENATION

- ⊙ Relieves from accumulated psychotoxins.
- ⊙ Acts as an energy shield against people's negativity and negative situations.
- ⊙ Relieves from psycho-emotional stress.
- ⊙ Participates in the elimination of subconscious limiting beliefs.
- ⊙ Energises and rejuvenates the organism.
- ⊙ Activates the organism's self-regulatory processes.
- ⊙ Protects against geopathic stress and electromagnetic radiation.

Many years of extensive research into the psycho-emotional levels of human beings led the DEHolding's scientific teams to create the DeVita „Energy 11“. The uniqueness of this device lies in the fact that it protects the DNA from the negative effects of electromagnetic radiation from home appliances and from 5G. In addition, it contributes to psycho-emotional detoxification, a discharging of negative emotions and of anything that weakens one's energy fields. The New DeVita „Energy 11“ restores energy levels, strengthens the immune system and stimulates mental and physical health by cleansing the organism of psychotoxins. It features new programs that target 11 of a human being's requirements: Energy, Protection, Health, Harmony, Relationship, Slimness, Abundance, Longevity - 5G, Energy Pro, Anti age, Inner Peace.

DEVITA ENERGY 11 IS USED IN CASE OF:

EXTENSIVE PHYSICAL AND MENTAL STRESS

PSYCHOLOGICAL STRESS, DEPRESSIVE STATES, PANIC ATTACKS

HIGH NEGATIVE IMPACT: WI-FI, 4G, 5G AND/OR OTHER HOUSEHOLD DEVICES

LIMITING BELIEFS, NEGATIVE ATTITUDES AND FEARS

SOCIAL AND PSYCHOLOGICAL PROBLEMS

INSTRUCTIONS FOR THE APPLICATION OF THE DEVITA MINI DEVICES

1. Sufficient daily consumption of clean drinking water (at least 1-1.5 Lit/day) contributes to the optimal discharge of toxins from the body. Conversely, the consumption of alcoholic beverages and soft drinks reduces the efficiency of these devices.
2. Always carefully read the instructions. The device is not suitable for use during driving, in the first trimester of pregnancy and in cases of an organ transplant.
3. In the event of a serious illness, contact your doctor. The devices are not medical devices and do not replace any medically prescribed treatment.

DEVITA AP+ MINI – CLEANSING AND DETOXIFICATION

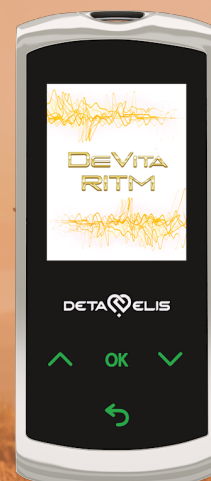

- ✔ Effectively cleanses the body. Helps in the elimination of fungi, viruses and parasites, but also maintains youthfulness and improves stamina.
- ✔ Normalises the function of internal organs and systems, improves eyesight, relieves from migraines and headaches.
- ✔ Strengthens the immune system, protects against seasonal colds and helps to prevent allergies.
- ✔ Completely safe by children: the device is an excellent means of protection from helminths and effectively treats viruses and bacteria.
- ✔ Supports muscle tone, gives freshness and energy.

The DeVita AP+ Mini is an electromagnetic device that helps the organism fight off illnesses caused by pathogenic microorganisms. The device's principle of operation is based on the emission of electromagnetic oscillations of specific frequencies, which resonate and amplify the natural vibrations of a particular pathogenic microorganism, resulting in its elimination.

20 EXISTING and 7 NEW PRE-INSTALLED PROGRAM COMPLEXES! Each Complex contains a combination of manual and automatic programs!

DEVITA RITM+ MINI – RESTORATION AND REGULATION

- ✔ Regulates the function of the internal organs and strengthens the immune system.
- ✔ Improves blood microcirculation, and adjusts metabolic processes within muscle tissues.
- ✔ Reduces tension in the back and joints, maintains muscle tone, restores the body after training.
- ✔ Regulates the work of the gastrointestinal tract and the endocrine system.
- ✔ Ideal for students and the elderly, as it improves memory, concentration and eliminates eye fatigue.

The DeVita Ritm+ Mini is an electromagnetic device that harmonises the function of the organs and systems of the body. The device generates low-frequency electromagnetic impulses, characteristic of the physiological frequencies of the body, which gives additional energy for recovery and harmonisation.
